

Everyone going home safe and healthy everyday

SAFETY AND HEALTH POLICY

WE ARE COMMITTED TO EVERYONE GOING HOME SAFE AND HEALTHY EVERY DAY.

Through effective leadership we will ensure an environment where everyone truly believes in our commitment to this guiding principle.

Our vision of a safe and healthy workplace is guided by the belief that:

- Safety and Health is a core value
- A Safe and Healthy workplace is everyone's responsibility
- All incidents are preventable

Every one working at Trail can help each other work in a safe and healthy manner by showing leadership and having the courage to make a stand and not allow any job to be done unsafely.

The following elements are in place at Trail Operations to meet this commitment as well as ensure we comply with all applicable rules and regulations:

- Leadership and Personal Commitment
- Identification of Hazards and Assessment of Risks
- Development and Application of Controls
- Training and Education
- Incident Investigation
- Continuous Improvement
- Emergency Preparedness
